

What message do you want Anglican Bishops from around the world to hear about creation?

Dear Teacher/Youth Leader/Sunday School Teacher

Every ten years the Anglican bishops from around the world meet in England at the Lambeth Conference. When they meet in 2020 we want them to hear the voices of young people about the Climate Emergency.

We would like to invite your young people (under the age of 30) to prepare a poster, poem or message for the Global Bishops. The winning entries will be included in an exhibition to be shown at Lambeth Conference. They may also go to COP26 Climate Change Conference in Glasgow.

Please send your material to greenanglicans@gmail.com before **Saturday 2nd May, 2020**

Please indicate the **name and surname, age of the child/young person** and also the **country where they live.**

Thank you for your support, and standing together with us for climate justice.
